

Finnish language

2 ECTS

UEF semester 2

Course instructor: Language Centre

Language of instruction: Finnish

Learning outcomes

The student

- learns Finnish pronunciation
- knows basic vocabulary and grammatical structures
- can talk about themselves
- understands simple messages
- learns about the basics of Finnish culture

Content

Vocabulary and expressions needed in everyday language use.

Modes of study

Participating in instruction and completing course assignments and exercises. The minimum attendance requirement for contact teaching is 50%.

Attendance of the first session is required to secure a place on the course. Course-specific, practical arrangements are agreed during the first session.

In order to complete the course and to be eligible for the course exam (if there is one), the student needs to meet the attendance requirement and successfully complete all course assignments within the set deadlines.

If the student has exceeded the maximum number of absences or has failed to submit course assignments in the set deadlines, the course enrolment is terminated. In this case the student cannot take part in the course exam or retake exam, but the course needs to be retaken in its entirety.

Teaching methods

Lectures, spoken and written pair and group exercises and independent study, for example. You should reserve 54 hours of total working time for the course.

The maximum number of contact teaching hours is 24, some of which may be held in another manner agreed by the teacher and class.

Study materials

Online and other material.
