

BECOME AN iPSRS PARTNER

SHAPE THE FUTURE OF PHOTONICS AND AI

INNOVATE • CONNECT • INSPIRE

Join the excellence of the Erasmus Mundus Joint Master bringing together leading universities, talented students, and industry partners across Europe.

As an iPSRS Partner, your organisation becomes part of a dynamic ecosystem connecting education, research, innovation, and industry.

WHY JOIN iPSRS?

Access highly qualified international students

Increase your visibility within the European photonics ecosystem

Connect with universities, researchers, and future engineers

Contribute to the development of next-generation skills

Strengthen your international academic and industrial network

ASSOCIATED PARTNER

Contribute to the programme and connect with talent

- ✓ Recommend outstanding candidates
- ✓ Contribute to student selection and programme development
- ✓ Share expertise through lectures, seminars, and workshops
- ✓ Offer internships, thesis projects, or company visits
- ✓ Participate in networking and programme events
- ✓ Join the External Advisory Board (EAB) and contribute to strategy
- ✓ Gain visibility on our website and communication channels

SPONSOR & SUPPORT STUDENT SUCCESS

Invest in future innovators and increase your visibility

Sponsors play a key role in supporting excellence and international mobility.

SPONSORSHIP OPPORTUNITIES INCLUDE:

- ✓ Funding scholarships and student mobility opportunities
- ✓ Supporting internships, research projects, or equipment access
- ✓ Facilitating collaboration with laboratories and researchers
- ✓ Strengthening links with a diverse international student community
- ✓ Early access to future graduates and potential recruits

SUPPORT OPPORTUNITIES

SUGGESTED ANNUAL SPONSORSHIP LEVELS*

Contribute through Apprenticeship Tax
Support students and skills development

€5,000 / year
Partial scholarship support

€10,000+ / year
Named scholarship or strategic partnership

*Sponsorship commitments are generally established for a two-year student cycle.

TAX BENEFITS FOR FRENCH COMPANIES

Contributions made through Fondation UJM may be eligible for:

✓ **60% CORPORATE TAX REDUCTION**
under current French legislation

EXAMPLE:

A contribution of €5,000/year may represent an actual cost of only €2,000/year after tax deduction.

LET'S BUILD THE FUTURE TOGETHER

Become part of an international network shaping the future of photonics, AI, research, and innovation across Europe.
